

Corporate Governance Principles Compliance Report

1. Declaration of Compliance in Accordance with Corporate Governance Principles

The Capital Markets Board of Turkey requires a declaration from all listed companies on the Borsa Istanbul A.Ş. regarding their compliance with the Corporate Governance Principles. In case of non-compliance, the companies are obliged to state the necessary explanations in their Corporate Governance Principles Compliance Report.

In this regard, we declare that all mandatory recommendations of the Corporate Governance Principles Serial: II-17, 1, published on January 03, 2014, by the Capital Markets Board of Turkey, has been complied with. Regarding non-mandatory recommendations, we have continued to act in accordance with these. The company will strive to improve any deficiencies and continue its efforts to fully comply with the Corporate Governance Principles under changing circumstances. The issues that do not comply with the Corporate Governance Principles are listed below, and there are no conflicts of interest arising from related issues.

- There is no provision in the Articles of Association concerning the General Assembly meetings to be held open to public. Persons who will attend the General Assembly meetings are determined in the Internal Regulation of the General Assembly.
- Articles of Association include a provision stipulating that minority rights are to be respected in compliance with the regulations of the Capital Markets Law and Capital Markets Board. Accordingly, no less than one-twentieth of the capital was assigned for minority rights.
- Although the company has not defined any model regarding the participation of stakeholders in management, independent members of the Board of Directors enable the representation of all the stakeholders as well as shareholders. Furthermore, the Investor Relations Department ensures coordination between the stakeholders and company management. The proposals and requests of these stakeholders are submitted for the information of management.
- There is no issue in the Articles of Association regarding the separation of the powers of the Chairman of the Board of Directors and Chairman of the Executive Committee. In the current organizational structure of the company, the Chairman of the Board of Directors performs the duties of the Chairman of the Executive Committee. This issue and its justification was publicly disclosed on the 19th of April 2017 via disclosure of material matters. In order to make the company's decision-making processes more efficient, and to foster a more dynamic organizational structure, it has been preferred to have the same person holding both positions.
- There are no female members in the Board of Directors and there is no policy established regarding this issue.
- Although the duties performed by the Members of the Board of Directors outside the Company are not restricted with a certain rule, detailed résumés of the members and the duties they perform outside the Company are presented to the shareholders at the General Assembly Meeting.
- In accordance with the structure of the Board of Directors, some members can hold positions in more than one committee.
- Pursuant to the Corporate Governance Principles, the total amount of the remuneration paid to the members of the Board of Directors and executive managers and all other granted benefits are publicly announced in the annual report. However, these announcements are not made on an individual basis.

Section I-Shareholders

2. Investor Relations Department

In order to enable accurate, complete, consistent and efficient communication with its shareholders, BİM's finance directorate launched an Investor Relations Department in 2005. The executive of this unit is responsible for meeting capital market requirements and coordinating the company's corporate governance practices. Furthermore, the executive holds a Capital Market Activities Level 3 License as well as a Corporate Governance Rating License.

The main activities of the unit are:

- To ensure that records of the shareholders are kept in an orderly manner and that inquiries by the shareholders regarding the company, except for publicly undisclosed data and trade secrets, are processed immediately through all available communication channels.
- To ensure that General Assembly meetings are held in accordance with appropriate legislation and to prepare the documents to be presented to shareholders at the General Assembly meeting.
- To pursue the public disclosure policies of the company.
- To carry out preparatory work for financial results and annual reports.
- To contact with regulatory bodies and monitoring relating legislations
- Preparing and presenting reports at least once a year to the Board of Directors regarding the activities carried out over the year.

Corporate Governance Principles Compliance Report

Throughout the period, the unit attended five brokerage conferences in Turkey and abroad, held around 160 one-on-one meetings at conferences and at corporate headquarters. During these conferences and meetings, the company provided information to investors and shareholders about the company's operating results and its performance. In addition, a report regarding investor relations activities carried out in 2017 was presented to the Board of Directors on the 22th January 2018.

The contact details of the Investor Relations Department may be found on the company's website (www.bim.com.tr) at investor relations. All inquiries and questions addressed to the unit through communication channels such as phone, fax, and email were meticulously responded to over the period in question.

3. Shareholders' Right to Information

All inquiries made by shareholders, except those related to trade secrets and publicly undisclosed data, were responded to carefully in accordance with the legislation of the Capital Markets Board of Turkey. These requests were mostly related to information on the General Assembly, dividend payments,

and inquiries regarding financial data, new retail model of the company, overseas investments and the company's future expectations. The company assures that shareholders have been dealt with and informed equally, and that any information that would negatively affect shareholders' rights is not disclosed on the company's website (www.bim.com.tr)

Furthermore, information requests from institutional investors and analysts were met throughout the year using various communication channels, including teleconferences and one-to-one meetings. Each quarter, the day after the announcement of financial data, teleconferences were held to inform shareholders and analysts and to answer their respective questions. Four teleconferences in total were organized during the year. The details of the tele conference were shared via email to investors in the company's database. There is no provision in the Articles of Association that establishes requests for the appointment of a particular auditor as an individual right. There was no request for the appointment of a specific auditor over the period in question.

The provision that the Capital Market Board's regulations on corporate governance shall be complied with for transactions considered to be important with respect to the implementation of the Principles of Corporate Governance is included in the company's Articles of Association.

No Extraordinary General Assembly meeting was held within the period in question.

5. Voting Rights and Minority Rights

All company shares are issued as bearer shares. There is no voting privilege right that comes with shares, and shareholders are provided with the easiest and most appropriate opportunities to exercise their voting rights. During both the Ordinary and Extraordinary General Assembly meetings, shareholders of the company or their proxies are entitled to one vote per share they hold. Shareholders may appoint a proxy to vote on behalf of them at the General Assembly. Voting by proxy is subject to the regulations of the Capital Markets Board. There are no mutual affiliate relationships among the company's shareholders.

The provision that minority rights shall be used in accordance with the Capital Markets Legislation and the regulations issued by the Capital Markets Board are included in the Articles of Association and a share that less than one-twentieth of the capital isn't determined for the minority rights. Minority rights are represented by the independent members of the Board of Directors in the company's management.

6. Dividend Rights

There is no privilege granted for corporate profit sharing. The dividend policy of the company was revised and approved by the General Assembly on the 22nd of April 2014 and was announced to the public on the same date. Within the scope of the dividend policy, the General Assembly decided to distribute at least 30% of the distributable profit that will be calculated according to the regulations of the Turkish Code of Commerce and the Capital Markets Board. The dividend policy is available in the Investor Relations section on the company's corporate website.

The timeline for dividend distribution is determined in line with the provisions of the Turkish Commercial Code and Capital Markets Legislation by the General Assembly upon the proposal of the Board of Directors. Dividend distribution from 2016 profit, TL 453,555,000 was realized in two installments within the legal period.

7. Transfer of Shares

8. Information Policy

Company's Information Policy was approved and put into effect by the Board of Directors on the 27th of March 2014, and was presented to the information of the shareholders at the General Assembly Meeting held on the 22nd of April 2014. The policy was publicly announced via Public Disclosure Platform and Company's website. According to the policy, in all cases of disclosing a subject "unknown to the public", relevant Executive Committee Members, CFO and Investor Relations Manager, examine the issue and take necessary action within the framework of the Company's Information Policy.

Expectations for 2017 were disclosed to the public through an events disclosure on March 7, 2017. These expectations are based on the company's store opening speed, growth in overseas operations, the dynamics of the retail sector and the Company's previous year performances. The annual sales growth from the related expectations was updated from 15%-18% to 20%-23% on the 14th of August 2017, taking the first 6 months of 2016 into consideration, and was publicly announced via Public Disclosure Platform on the same day.

9. Company Website and Contents

The company's website address is www.bim.com.tr, and it is used actively for public disclosure purposes. The Investors Relations section of the website is also available in English in order to inform foreign investors. Pursuant to the Turkish Commercial Code numbered 6102, the company's website was registered and announced in the Turkish Trade Registry Gazette dated the 9th of October, 2013.

Subjects which are applicable from among those listed under the Article 2.1.1 of the Corporate Governance Principles are published under the Investor Relations section of our website. Company website doesn't only consist of offering circulars.

10. Annual Report

Pursuant to the legislation of the Capital Markets Board and the Turkish Code of Commerce, the company discloses its Annual Report quarterly through the Public Disclosure Platform and the company's website. Although the activity report issued in the interim period is limited to the developments occurring in the related period, the Annual Report is issued; i) in such detail that will enable the public to reach full and accurate information about the activities of the Company, and ii) in such structure that will cover the information stipulated in the CMB's Corporate Governance Principles.

Section III-Stakeholders

11. Disclosure to Stakeholders

In accordance with the current legislation and the company's disclosure policy, stakeholders are regularly informed about matters concerning them, with the exception of trade secrets, through appropriate channels of communication such as the company's website, the domain allocated for the company on the Central Registry Agency's (MKK) e-company portal, and press releases.

Email and phone contact details are provided on the company's website for stakeholders who wish to get in touch. Stakeholders who require information through these channels, need to make inquiries, or who wish to provide information with regard to acts that are against the legislation of the company or that are unethical, are able to contact the relevant unit manager. Inquiries and requests for information are answered in a timely manner. Similar methods of communication are used to reach both the Audit Committee and the Corporate Governance Committee, and no special mechanism has been put into action.

Company shareholders or potential shareholders, investment banks, and analysts are able to communicate directly with the Investor Relations Management through the contact details listed on the website, and their inquiries are responded to immediately.

12. Participation of Stakeholders in Management

Although the company has not defined any framework for the participation of stakeholders in management, the independent members of the Board of Directors serve as representation for all stakeholders as well as the shareholders in management. Furthermore, the Investor Relations Department ensures coordination between the stakeholders and the company management. The proposals and requests of stakeholders are submitted for the information of the management.

Feedback received from both the customers and suppliers through various means of communication are reviewed by the management, and actions are taken when deemed necessary.

The company strives to attain a high level of participation in the decision-making process by its employees as stakeholders. In this regard, meetings are held in order to increase efficiency and to bring about improvements with regard to issues concerning staff, and suggestions are evaluated by senior management.

Furthermore, employees are encouraged to openly communicate their complaints, criticisms, and suggestions to their respective managers regarding the working methods of the unit in which they are employed.

13. Human Resources Policy

BİM Personnel Regulations provide guidelines for maintaining working order in line with the objectives of the organization, personnel rights, and the regulation of general principles for working conditions and these are specified in the Personnel Regulation. 57 regional directorates in Turkey and abroad, and the Personnel and Administrative Affairs units in the headquarters conduct the relations with the employees.

Providing its employees with a pleasant and fair working environment, which offers them the opportunity to take initiative, train, and develop their capacities professionally is the main priority of the company's Human Resources Policy. In addition, employees are encouraged to openly communicate their complaints and criticisms to the relevant units, which are then required to take necessary actions immediately.

The company utilizes both internal and external resources to meet the training needs of its employees.

Job descriptions as well as performance and rewards criteria are communicated to employees clearly. There were no complaints from the employees with regard to discrimination during the period in question.

14. Ethical Rules and Social Responsibility

Expectations from employees, executives, and suppliers are clearly identified in the "Goals of the Organization" document which was shared with all employees. However, these expectations and rules are not disclosed to the public. Procedures to follow in the company with regard to general and specific issues are meticulously implemented and updated as necessary.

The company is not involved in any production operations. Plastic and cardboard waste is forwarded to licensed recycling companies who are engaged in the recycling of packaging waste.

In BİM, safety of the products sold, and human health is above all kinds of profits. BİM regularly tests the quality of its products via official and private independent laboratories in order to check the compliance of its product portfolio with legal requirements and BİM criteria. Furthermore, when necessary, studies are carried out in coordination with international laboratories abroad.

BİM is also following a very sensitive method in selecting suppliers. Production sites of our candidate suppliers are inspected by a questionnaire specific to BİM by KALİTE SİSTEM Merieux NutriSciences and TÜBİTAK Marmara Research Institute's inspection teams approved by our Company. Only if the suppliers are found suitable and

sufficient, they are entitled to produce products for BİM. Our existing suppliers are subject to periodic announced / unannounced inspections. BİM aims to improve the food safety and infrastructure issues and to contribute to the development of its suppliers that are periodically audited with a special BİM questionnaire.

Section IV: Board of Directors

15. Structure and Formation of the Board of Directors

The company is managed and represented by its Board of Directors. The Board of Directors is composed of a minimum of five and a maximum of nine members elected by the General Assembly, while the amount and qualifications of independent members that sit on the Board of Directors are determined in accordance with the corporate governance regulations set out by the Capital Markets Board. These stipulate that the number of independent members has to be one-third of the total number of members. During the Ordinary General Assembly meeting held on April 18, 2017, six members were elected to sit on the Board of Directors for a period of one year. Two of these nominees are independent members of the Board, and possess the qualifications indicated in the Communiqué of Corporate Governance Principles (Series II, Nr. 17.1).

The Corporate Governance Committee's report on candidates for independent membership, which was issued on January 18, 2017, was submitted to the Board of Directors and the Board submitted the report to the General Assembly. Two names were put forward to serve as independent candidates by Corporate Governance Committee. Independence Statements of the Independent Members of the Board of Directors are included in the related section of the Annual Report.

Upon the retirement of the CEO of the company on January 1, 2010, an Executive Committee was formed to take over the powers and responsibilities of the CEO. The company's Chairman of the Board of Directors also serves as the Chairman of the Executive Committee. The reason behind selecting the same individual for both positions is to enable the company to move faster and more effectively in the decision-making process, and to set a more dynamic organizational structure. The remaining five members of the Board of Directors do not hold executive positions.

The Board of Directors is subject to the approval of the General Assembly in order to fulfill the transaction written in the 395 and 396 articles of the Turkish Commercial Code. During the Ordinary General Assembly held on April 18, 2017, the members of the Board of Directors were permitted to carry out transactions pursuant to the relevant articles of the Turkish Commercial Code.

Members of the Board of Directors are not restricted from assuming other duties outside the company, except for cases in which the independence of the independent members of the Board of Directors may be affected within the framework of the criteria set forth in the Corporate Governance Principles.

Corporate Governance Principles Compliance Report

There are no female members on the Board of Directors and there is no policy established related to this issue.

16. Operating Principles of the Board of Directors

As indicated in the Articles of Association, the Board of Directors meets at intervals that allow them to perform their duties in an efficient manner. The date for the next Board of Directors meeting is scheduled according to the availability of the members during the previous meeting.

The Chairman determines the agenda of meetings by consulting other members of the Board of Directors and the Chief Executive Officer/General Manager. The agenda is formed according to emerging needs and requirements, and members make sure to attend each meeting and present their opinions. In order to provide a steady flow of discussion, information and documents related to the items of the agenda of each Board of Directors meeting are presented to members ahead of the date of the actual meeting.

The Chairman of the Board of Directors makes his best effort to assure the effective participation of non-executive members in meetings of the Board of Directors. In cases of dissent, a reasonable and detailed justification for the counter vote is made available by the members of the Board

of Directors to be entered in the decision record. The Board of Directors may take any decision with the written consent of members in the form of a letter or fax receiving members' decision by signature only even without holding a meeting.

Board of Directors and quorum are subject to the Turkish Code of Commerce and to capital markets regulations. The Chairman's secretary is responsible for informing and communicating with the Board of Directors, and although members of the Board have equal rights to vote, they do not hold the right to veto.

With regard to transactions that may be deemed significant and to any and all affiliated party transactions as well as transactions related to warranties, pledges, or mortgages to be provided for the benefit of third parties, where there is no approval from the majority of the independent members, the information is disclosed to the public. This practice complies with the corporate governance regulations of the Capital Markets Board and its public disclosure principles. There were no such disclosures made during 2017.

The Board of Directors virtually convened 7 times over the course of 2017, and 17 additional occasions, took place to take decisions with the consent of its members without holding a meeting as sanctioned in Article 390/4 of the Turkish Code of Commerce. No counter vote was cast against the decisions taken. The attendance status of the members of the Board of Directors is listed below.

The Members of the Board of Directors Attendance Level to the Board of Directors' Meetings

Mustafa Latif Topbaş	100%
Mahmud P. Merali	100%
Jos Simons	100%
Ömer Hulusi Topbaş	100%
Talat İçöz	100%
Mustafa Büyükbacı	100%

17. The Number, Structure, and Independence of Committees Formed within the Board of Directors

Pursuant to the Corporate Governance Principles issued by the Capital Markets Board, an Audit Committee, a Corporate Governance Committee, and an Early Risk Identification Committee have been formed within the Board of Directors.

The Audit Committee was formed to ensure that the Board of Directors is carrying out its duties and responsibilities in a healthy manner and with the needs of the company in mind. The audit committee presents its reports to the Board of Directors on a quarterly basis. Two independent members were appointed to the two seats of the Audit Committee as mentioned below, and its members do not hold any other executive position at the company.

Audit Committee

Talat İçöz	- Chairman
Mustafa Büyükbacı	- Member

The Corporate Governance Committee consists of four members of which two are independent and one of the independent members chairs the group. While three of forth of the members do not hold any executive position, executive member serves as the Reporting and Investor Relations Manager. The Corporate Governance Committee also assumes the duties and responsibilities of the Nomination Committee and the Remuneration Committee.

The Corporate Governance Committee meets at least once a year. The members of Corporate Governance Committee are below:

The Corporate Governance Committee

Mustafa Büyükbacı	- Chairman
Mahmud P. Merali	- Member
Talat İçöz	- Member
Serkan Savaş	- Member (Executive Member)

Early Risk Detection Committee's both participants are independent members. These members do not have executive duties/positions in the company. The aim of the committee is to preemptively diagnose any risks that could endanger the existence, development, and continuity of the company, and to take necessary measures to mitigate these identified hazards. Early Risk Detection Committee presents reports to the Board of Directors every two months.

Early Risk Detection Committee

Mustafa Büyükbacı	- Chairman
Talat İçöz	- Member

Due to the fact that we have two independent members in Our Company's Board of Directors and that we have three different committees established within our Company, some Members of the Board of Directors may assume tasks in more than one committee.

In spite of not receiving any services from independent experts during the activities of the committees in 2017, the committees can make use of the independent expert opinions when necessary.

The Board of Directors thinks that the expected benefits were achieved from the committees activities during the year.

The working principles of both committees and the names of their respective members have been disclosed to the public through the company's website <http://english.bim.com.tr/Category/661/committees.aspx>

18. Risk Management and Internal Control Mechanisms

Taking into consideration the various risks it is exposed to, as well as the relevant preventive measures, BİM has developed policies and procedures to govern its business processes. Furthermore, the company has reorganized the distribution of tasks within the organization, including the relevant approval and authorization mechanisms, and regulated methods for the protection and settlement of the company's tangible assets within the scope of risk management. It has also established efficient reporting and supervision practices over the course of the same period.

Corporate Governance Principles Compliance Report

The company has also set up an Internal Audit Unit that reviews the efficiency of risk management, internal control, and corporate governance processes in a systematic and disciplined manner, with a view to improving efficiency. The Internal Audit Unit reports to the Audit Committee, which is made up of independent members from the Board of Directors. This unit identifies any major potential risks or deficiencies in internal control systems and identifies measures to be taken to reduce these risks in the relevant management units. The unit then reports the actions taken and their outcomes to senior management and to the Audit Committee.

All operations in the company fall under the responsibility of the Internal Audit Unit, and are audited according to annual plans prepared in line with the results of the risk evaluation process. The subsidiaries that are subject to consolidation are also within the scope of the Internal Audit Unit. Implementation procedures are defined for all stages of the internal control process, and the unit carries out its operations within this framework.

Review of the efficiency and competency of consolidated financial tables which are prepared on a quarterly basis in compliance with the Capital Markets Legislation and assuring the Audit Committee are among the duties of Internal Audit Unit. The quality of internal audit activities was independently evaluated, and were put in the "Generally Comply" category (the highest possible level) according to the International Internal Audit Standards and Code of Ethics.

Early Risk Identification Committee works to preemptively isolate risks that could endanger the existence, development, and future of the company, and also implements necessary measures to manage and diminish threats. The committee submits a report to the Board of Directors every two months, outlining the threats (if any) and their potential remedies.

Detailed information on Risk Management and internal control mechanisms is available in the relevant section of the Annual Report.

19. Strategic Goals of the Company

The company aims to attain a high level of efficiency in the food retail industry and expand into other countries where this concept has not yet been implemented in the future. Our strategy is focused on always offering quality products, lowering prices for customers, increasing operational efficiency, increasing the share of private-label products in our portfolio, and decreasing costs by improving supplier efficiency.

The Board of Directors approves the annual budget and assesses the extent to which objectives stated in the budget are met analyzing financial data on a monthly basis. Besides evaluating annual objectives, upon the request of the Board of Directors, the management prepares long-term strategic plans on both domestic and overseas operations and submits these to the Board for review.

20. Financial Rights

Remuneration principles for members of the Board of Directors and senior executives were submitted for the information of shareholders in the 2011 Ordinary General Meeting held on the 15th of May 2012, and these have been disseminated to the public through the company's website and the Public Disclosure Platform.

Pursuant to the decisions of the General Assembly, an honorarium is paid for the members of the Board of Directors. The company does not provide loans, credit, or other such benefits to members of the Board of Directors or its executives.

The total value of financial rights such as honorariums, fees, premiums, and bonuses for a total of 160 people comprising the members of the Board of Directors and senior executives came to TL 43,716,738 (TL 5,040,576 bonus, TL 308,689 per diem, TL 38,367,473 wage) in 2017. Executives do not receive dividends. All Members of the Board of Directors have directors & officers insurance.
